

Pupil Premium Statement 2016 – 2017 Academic Year

Pupil Premium Funding Received 2016/17 £38,580
27 pupils were eligible for Pupil Premium funding in 2016/17.
This represents 17.9% of the school population.

During the school year Pupil Premium Funding was used to:

Provide specific Teaching Assistant learning intervention for identified pupils across the whole school.

Support of a provision map for pupils in Upper Key Stage 2 where gaps in learning were identified and for preparation of external SAT tests in Year 6.

Ensured all pupils had equal opportunities in Music, Sport and extra curriculum activities as well as enrichment activities to the curriculum.

Impact of use of Pupil Premium Funding

The majority of pupils eligible for Pupil Premium funding in Years 4 to Year 6 made expected progress in Reading and Maths as they moved through the year. Writing is an area for improvement that the school has identified for all pupils as we move into the new school year.

Outcomes for pupil premium pupils compared to all pupils in the school in 2016 – 2017.

EYFS

In EYFS 33% of pupils eligible for Pupil Premium achieved a Good Level of Development (GLD). This compares to 65% of all pupils in EYFS in the school achieving a GLD in 2017. The national average for pupils achieving a GLD at the end of Year 1 in 2017 is 71%.

Phonics – Year1

There were 2 pupils in Year 1 eligible for pupil premium funding. 100% of pupils eligible for pupil premium funding passed the phonics test this year. 91% of pupils in Year 1 in the school overall passed the phonics test compared to the National Average of 81% in 2017.

End of Key Stage 1 Assessment.
