

Key Stage 1 trip to Lackford Lakes 23rd May 2017

Dear Parents

In order to enrich our learning on our topic of 'habitats' this term I would like to organise a trip for year 1 and year 2 to visit Lackford Lakes on 23rd May 2017. I will lead the trip; we will be taking with us Katie Monaghan the supply teacher in Year 2 along with the teaching assistants in each class as well as two parent helpers. We will aim to leave school at 9.20am and return to school around 3pm in time for usual pick up at 3.15pm.

We have organised along with the Education Officer at Lackford Sophie Mayes, a fantastic day of activities including pond dipping, invertebrate hunting, and being animal detectives! When we arrive the two classes will be split into three groups so this will be a lovely opportunity for the two classes to get to know each other a little bit better.

The total cost of this visit will be £8.50 per child which will include £4 entry to Lackford Lakes and £4.50 to cover transport and insurance. Please note that cheques need to be made payable to Suffolk County Council. Please note that if we do not have enough contributions unfortunately this trip will need to be cancelled.

All children will be required to bring a packed lunch and a non-fizzy drink in a plastic bottle. Cartons of drink cannot be resealed so a bottle would be more appropriate. For this trip can your child come into school wearing jogging bottoms, trainers and their usual white polo shirt and school jumper. Please make sure they have a suitable named warm waterproof coat.

Clearly we would expect the standard of behaviour to be high as the children will be representing the school, please could you reinforce this at home.

Please return your permission slip with emergency contact details with your cash or cheque to Mrs Kimber by Tuesday 16th May.

Many thanks for your continued support.

Mrs Masson
