Dear Parents

Next Friday, Year 6 have been invited to attend a Crucial Crew workshop: an event at West Suffolk College which promotes personal safety and conducting yourself safely around others.

Crucial Crew is a national scheme delivered to 10 and 11 year olds running for a fortnight in June every year since 1994. Its aim is to provide a fun and stimulating environment for children to learn to:

- become more aware of personal safety;
- learn how to react correctly to dangerous and threatening situation;
- understand the role the emergency support services play and how and when to contact them;
- be aware of their own actions and the safety of others.

Every child visits scenarios where they are taught valuable safety messages. The scenarios are run by a diverse range of highly skilled people such as the Fire and Police services.

The event runs throughout the morning and the children will be back at school for lunchtime as normal. We are travelling there and back by coach.

As ever, behaviour will need to be of normal standards expected within our school, and any child not meeting those standards will be collected by parents during the morning.

Please sign and return the permission slip below by Wednesday 5th July.

Kind regards

Mrs Dunn and Mrs Lockwood

Please return to Great Whelnetham CEVP School
