## Robins Class Newsletter

23rd February 2018

Dear Parents

Welcome back to the second half of this exciting and busy term! I hope you all had a lovely half term break. This term our topic is continuing with 'Town and Country' theme. I have an exciting week planned for our 'World Book' week next week and we also have our Science Enrichment day on 13th March to look forward to, where I am hoping we will all dress up as Mad Scientists!

We will begin our English learning on writing a recount of our half term, followed by instruction writing, and then writing letters.

In Maths we will be covering fractions and money. I am also introducing a weekly mental maths sessions on a Friday.

Our topic centres on Geography where we will be identifying countries and capital cities in the UK and around the world, and Science where we will be investigating materials, with some exciting science experiments!

Our games lessons will continue on a Monday afternoon and P.E will continue on a Thursday morning. Can you please ensure that your child has their P.E kit in school on these days.

Forest Schools will continue on a Friday afternoon, but can I please stress that your child still brings in additional clothing to keep them warm as the temperature is still quite cold.

I will continue to give homework out on a Friday to be returned by the following Thursday.

**A gentle reminder:** If your child is doing an after school club could you please provide them with one healthy snack to have before the club. Many thanks.

Lastly, so we can provide an extra snack in addition to the fruit the children have, we would very much appreciate a contribution of £2.

Many thanks for your continued support.

Mrs Masson and Mrs Millichamp
