

11th May 2020

Dear Parents and Larks class,

Hope you are all keeping safe and well.

It was so lovely to speak to so many of you last week. Makes me very proud to hear how much super learning you have been doing at home.

Your VE bunting was fabulous and I hope that you have had the chance to look at the pictures on the school website.

This week Mrs Wallis is launching The Great Whelnetham Bake Off! This makes me very happy as Miss Wedderburn does love cake and biscuits! Please continue to send in your pictures for the school website stating that you are happy for them to be used, so that we can all see what you have been getting busy doing at home.

READY, STEADY, BAKE!!!

I'm hoping that your Home Learning is still going well. The Oaks Academy website this week has some new exciting things for you to do at home. Remember, there are no mixed class lessons, but you can select Reception or Year one as you think appropriate for your child's ability/interest.

Reception children

Literacy: this week you are learning about a story that is full of yummy treats. The story of Hansel and Gretel

Numeracy: this week you are learning about numbers up to 20 and ordering numbers on a number line

Foundation subjects: this week you are learning about what it means and feels like to be worried

PE: PE with Joe Wicks

Year One

Literacy: this week you are learning about a great story all about food! The Tiger who came to Tea!

Numeracy: this week you are learning to compare numbers within 100 on a number line

Foundation subjects: What is South America like?

PE: PE with Joe Wicks

If you haven't heard of it already the School Games Active Championships is a national activity campaign to help young people across the UK to #StayInWorkOut using the video-based platform powered by TopYa!. New challenges will be available every Monday, Wednesday and Friday to engage with.

Primary and secondary-aged children can join the School Games Active Championships at any time with free active challenges being set via videos within a designated School Games version of the TopYa! Active app. All they need to do is download the app, register as a player and type in the Invite Code 23880.

Full details can be found by clicking on the link below:

<https://www.yourschoolgames.com/coronavirus-support/school-games-active-championships/>

Thank you for everything that you are doing in assisting your child with their home learning. Please do what is manageable for you and your child; the last thing we want to do is add any extra stress! A little and often seems to be the best strategy!

Keep busy and keep safe.

Miss Wedderburn
