

Monday 27th April

Dear Kingfishers and families,

I hope you all had an enjoyable weekend and managed to enjoy sometime in the sunshine.

It was lovely to be able to talk to many of you last week and hear about your 'lockdown' stories and the home learning you have been doing, well done everyone!

Don't forget if you have pictures of the amazing work you have completed, remember to take a photo and email it to school. We will then be able to celebrate your work on our 'Home Learning Gallery' on the school website.

Those of you who have enjoyed accessing your 'Home Learning' online, please find below a summary of the work available this week, as well as a few extra ideas to try!

Remember to take care of yourselves. With your home learning, try to have fun, do what you can but most of all don't worry. I will be back in contact next week, however, if you need any help or support in the meantime please do email the school and I will get back to you as soon as I can.

Have a good week.

Best wishes

Miss Tyler
