Dear Parents and Carers,

We are looking forward to welcoming you all to our parent evening consultations next week. It is a great opportunity for staff to discuss your child's progress and to communicate how well they are settling into the term in their new classes.

Some of our governors would like to be present during the consultations to talk to you about their role and share their experiences of being a governor of Great Whelnetham C of E Primary School. We are looking to recruit new governors and we thought that this would be a good opportunity for them to share more about what they do with our parent community.

Governors will be in the school hall where we intend to display your child's books. If any of you are interested and have any questions that you would like to ask, then please do use this opportunity to talk to them further about their experience.

Yours sincerely

Claire Flatman

Executive Headteacher
