4 April 2019

Dear Parent/Carer

**Deputy Headteacher**

I am delighted to be able to formally announce that Ms Imogen Wallis will be joining us immediately after Easter as our Deputy Headteacher.

Ms Wallis has been described as an important part of the school community, is always ready for action and relentlessly supportive of children in achieving their best, both in terms of their progress and levels of attainment.

Ms Wallis ensures consistently high expectations of teaching and learning across all curricular subjects by guaranteeing the requirements of the primary curriculum are met, whilst making learning inspirational, creative, engaging and fun. She is approachable, a team player and has worked in partnership with parents, governors and her wider school community.

Ms Wallis has relevant experience to bring from a range of school settings in both London and Ipswich; and has a proven track record using pedagogical approaches which best fit the needs of all children.

In her own words, "perhaps most importantly, I consider children to have the right to the best possible standards of education and kept at the heart of everything we do."

I am sure you will all join me in welcoming Ms Wallis. We look forward to benefitting from both her experience and leadership.

Yours sincerely

Mr. Ian Page, BSc (Jt Hons.), PGCE, MSc, NPQH  
LA Associate Headteacher  
Interim Headteacher
