

## Summer Newsletter 2022

### Celebrations

#### **Ukrainian Day**

Firstly, we are delighted to welcome David to Year 1, his family having recently settled into the area from Ukraine. Friday 13<sup>th</sup> May 2022 is a day to show our support for those in the Ukraine, as well as people from the country re-settling in other parts of Europe. We all be wearing blue and yellow on that day in solidarity. Mrs Dockrill has already done some fund raising with a cake sale, so many thanks to her.

We also welcome Lydia to Year 1. She has settled so well and already become an important member of the class too.

#### **Queens Platinum Jubilee**

We look forward to celebrating the Jubilee, together with Cygnets and the PTFA on 27<sup>th</sup> May. Our clothes this day will of course be red, white and blue and we will be enjoying high tea, an art exhibition, an inflatable assault course and many fun stalls.

#### **PE events and Sports Day**

There will be lots of different sporting events in various venues this term. Mrs Masson, our PE lead will be keeping you updated on these, including arrangements for Sports Day this year.

**Swans**

We are so very proud of all the children in Swans who have just completed their SATs. They approached these tests with incredible maturity and their focus on each day was amazing. They are now all set to refine their performance and enjoy trips and events to mark their achievements.

**Year 4 and 5 Residential**

We are greatly looking forward to the our prospective residential in July to Norfolk. This will test our ability to work as a team, traverse climbing walls, travel along zip wires and keep afloat! The children will experience sleeping in dorms and making their own sandwiches, great skills for independence.

**Forest Schools**

Year 4 are really enjoying their Forest Schools sessions. Mrs Lloyd is facilitating a great range of activities in our beautiful outdoor surroundings and we look forward to extending this next year.

### **A Big Thank You!**

Many thanks to everyone in our school community – parents, carers, families, governors and staff in supporting our school and the growth, development and achievements of our children, school and wider community. There is still so much to enjoy in the remainder of this term before well- deserved breaks late July.

Mrs Flatman and Ms Wallis
