Dear Parents and Families,

It has come to my attention today that reports have been shared around the Bury area of 'strange individuals' approaching children, possibly with a view to abducting them. I wanted to let you know that I have reported the matter to the local police and have asked for a community liaison officer to visit our school to talk to the children during an assembly about keeping safe. In the meantime I will reinforce this message to the children at an assembly myself at the end of the week.

I would urge you to report any knowledge you may also have of any incidents which could potentially pose a risk to children and reinforce messages to your children about keeping safe.

Yours sincerely,

Ms Wallis

Head of School
