Dear Parents and Carers,

I am in the process of gathering information from all our stakeholders to help create a Christian Vision for Great Whelnetham C of E Primary School.

I have spoken to the Governors, staff and children and would also appreciate and value your feedback. Firstly, there are three questions that we need to consider. They are as follows:

- Who we are?
- Why we are here?
- How then do we live?

To help our children answer these questions we talked to them about what makes our school special and unique. It is important for our vision to reflect this and I was very touched by their contributions and responses. They view Great Whelnetham C of E Primary as a community and that we are all a family, learning together to ensure that everyone can reach their full potential.

I would be very grateful if you could please complete the table below and return your thoughts to the school office by **Wednesday 29th September**. Thank you in advance. I look forward to receiving them.
