

Great Whelnetham Church of England Primary School

'By growing together, we become the best we can be'

Class Newsletter

17th April 2020

Dear Parents

I would usually be writing a welcome back newsletter, but unfortunately this is not the case at the moment! I hope you are all keeping safe and well. You have all been in my thoughts during this worrying time. However, we have been blessed with some amazing weather so at least we have been lucky to be in the garden getting some fresh air and exercise.

If we had been returning to school we would have been learning...

English

Our genre for this half term would have been 'Super Heroes'! So I challenge your child to write a fantasy story based on their favourite super hero or maybe they could make up their own super hero with special powers! They need to try and make their story successful by remembering the following:

Story mountain structure/plan

Think about your character's and use super adjectives to describe them

Story setting—where is your story set?

Punctuation

Paragraphs

Presentation!

Maths

Following the White Rose long term plan we would have covered:

Position and direction

Measurement: Time, Mass and Capacity

Recapped all calculations: addition, subtraction, multiplication and division

Daily practice of 2's 3's 5's 10's times tables!

Science

We would have continued with animal life cycles: frog and butterfly

Continue with healthy eating; We had been planning to make a 'healthy kebab' - Can you have a go? What fruit would you have in your kebab?

Could you write down the instructions on how you made it? Don't forget to include your time conjunctions: First, Then, Next and Finally

Topic

If you have an atlas at home practice looking up the world's 7 continents and 5 oceans. Use google earth to locate the 4 countries and capital cities of the United Kingdom.

You could use your knowledge on hot and cold climates to do a project on comparing a hot and cold country.

P.E

Try and do your 'daily mile' round your garden!

Don't forget www.ictgames.co.uk to practice interactive phonics and maths!

Above all else please stay safe...I miss you all...hopefully we will be together again soon!

From Mrs Masson
