

We're taking part in NSPCC Number Day!

24th January 2022

Dear Parents/Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 4th February 2022.**

Everything the NSPCC does protects children today and prevents abuse tomorrow.

The NSPCC needs our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every 25 seconds

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

- We are having a fun day of maths activities and we will be taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a **onesie!**). Or get even more creative by dressing in a maths or numbers theme – think clocks, calculators, playing cards or anything else!
- There will be a great prize per class for the best number related outfit!
- To help raise money for the NSPCC, we are asking for a suggested donation of £1, and we'd love everyone in the school to take part in this special event.

It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Great Whelnetham will make an enormous difference to children today and help the NSPCC prevent abuse and be there for children when they most need it.

Thank you.

Best wishes,

Sam Sharp

Maths Coordinator
